Dear Carlos,

**My deepest thanks to you and the members of Come Back Buddy for being a part of the 50<sup>th</sup> Annual Vacaville Fiesta Days celebration, and for giving such a great show. It was truly a pleasure to have your band at the event on Monday, May 28, 2007. Please let everyone know how much we all enjoyed having you there.**

**All of us on the Vacaville Fiesta Days Committee truly appreciate the fact that it is the quality of the music that makes the people come, and makes them stay. Although I was not able to hear all of the band's performance due to medical problems, everyone I talked to really enjoyed your music.**

**Your band delivered a high energy, high quality, totally professional performance. The songs you performed reflected a wide variety of 50's music, with something to please everyone. You did a great job in getting the crowd going, and keeping them going. Everyone was impressed with the high quality of musicianship and professionalism that every member of your group demonstrated.**

**It was truly a pleasure working with you this year at Vacaville Fiesta Days, and I look forward to working with you again in the future. Please pass on my compliments and appreciation to everyone in the group. If I can be of service to you or any member of your band in the future, please do not hesitate to contact me.**

Respectfully,

**Shauna Manina
